

## Canada ELD mandate features

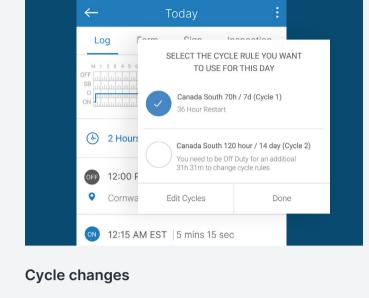

Simplify compliance with North America's #1 ELD. Once certified, KeepTruckin's Vehicle Gateway will meet all Canada ELD Mandate requirements while maintaining the same experience drivers and fleet managers love.

## **Canada: New Features**

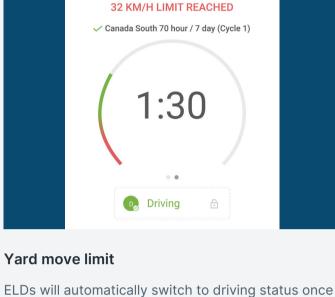

#### Drivers operating under the Canada South Cycle can

defer up to 2 hours of their required daily off-duty time to the next day.

#### Prevents drivers from switching between Cycle 1 (7 Days) and Cycle 2 (14 Days) unless they have

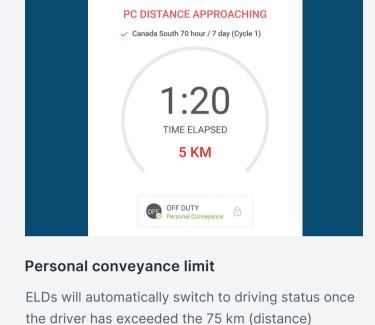

taken the required off-duty time.

## a driver has exceeded the 32 km/h (speed) yard

 $\equiv$ 

move limit.

## personal conveyance daily limit. Once exceeded,

drivers will have to wait until the next day to use personal conveyance again.

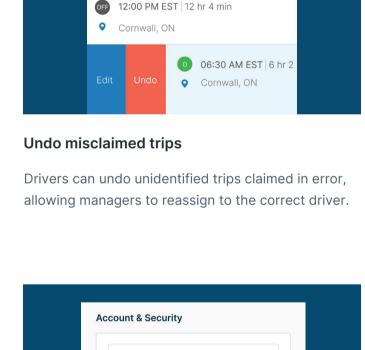

Inspect logs for previous 14 days + today

**Canada and US: New Features** 

# streamlining the inspection process.

#### Log Inspection Sign I certify these entries are true and correct
